How to claim the emergency payment

Covid-19 Pandemic Unemployment Payment has been introduced for anyone whose employer is unable to continue to pay them. The payment is available to all **employees** and the **self-employed** who have lost employment due to the pandemic. You will get a payment of **€203 per week for up to 6 weeks** (as applicable).

To receive the payment follow these steps;

1. Apply for the COVID-19 Unemployment payment using the form on the next page.
2. Post it to **FREEPOST PO BOX 12896 Dublin 1**.
3. Apply for Jobseekers within 6 weeks to ensure you continue to receive a payment (if applicable) after the emergency payment has finished.
